

Date: _____

Outline Map of United States Biomes

Directions: Choose a color for each biome number on the map, and then color in each biome. Remember, the biome lines will not be the same as the lines for the states (sometimes the lines will cross).

Legend:

- (1) Chaparral
- (2) Desert
- (3) Grasslands - Prairie/Plains
- (4) Grasslands - Savanna
- (5) Rain Forest
- (6) Temperate Deciduous Forest
- (7) Temperate Coniferous Forest
